Oh, I forgot about the presentation part. A power point presentation (background) would be helpful. What does your community relations officer think/say about it?

The FYR needs to be signed by tomorrow. Could you please send me Robert Franks title? Also, I wasn't planning on giving a powerpoint presentation. Do you think this is a problem?

Thanks Shari! I skimmed thru it. Looks great. I will be out of the office tomorrow and I will be tied up at meetings this afternoon. If you don't mind, I would like to get back to you on Monday with any comments we may have. Thanks and have a great weekend.

By the way, Robert Franks, my supervisor and Carol Tracy have indicated interest in attending the availability session on May 14th.

Thanks Again.

Wally

Hi Wally,

I am sending you a draft copy of the 2nd FYR report. The report has gone thru multiple layers of review already and is currently being reviewed by our attorneys. This is not the final report. I wanted to send you the draft, before its signed, so I don't repeat what happened five years ago. Once I get the attorneys comments incorporated, I will send you that version so your kept in the loop.

If you notice anything that is concerning, please let me know asap. Thanks, Shari

Shari,

I have asked Carol to take a look at the FYR and send you comments, if any. I would not have time to comment on it today, sorry.

Here is Rob's title:

Robert L. Franks, Chief
Budget Tracking and Site Management Unit
Superfund Section
Remediation and Redevelopment Division
Michigan Dept. of Environmental Quality
Phone: 517-284-5100
E-mail: franksr1@michigan.gov
